CHOOSING TO RENOVATE YOUR HOME'S EXTERIOR IS NO SMALL DECISION. YOU WANT TO DO IT ONCE AND DO IT RIGHT.

Selecting the right financing will be as important as selecting the right siding and the right professional to install it, and Professional Real Estate Advisors is here to help you navigate the entire process.

**WE HAVE SOME GREAT OPTIONS THROUGH OUR LENDING PARTNER,
PROFESSIONAL MORTGAGE ADVISORS.**

OUR FINANCING OPTIONS ARE LISTED BELOW:

- **Cash-out Refinance** – Take equity out of your home and refinance your current mortgage to have one fixed new mortgage. Can extend the term out up to 30 years to have lowest monthly payment!
- **Short-Term Private Quick Cash** – Need money quick? Don't qualify for a "traditional" mortgage loan? We have private outlets who will work out arrangements to get you the money you need.
- **Home Equity Line of Credit (HELOC)** – Use the equity in your house to take out a line for the repairs. Can be an interest only or principal and interest option!
